

Dear friends judoka

The **21th Challenge International Judo Boucherville** organizing committee would be happy to welcome you on our annual competition which will be held on **Saturday, April 15, 2017**, in Boucherville, Quebec, Canada.

This is a team tournament for most of the weight and age categories that can be found in a dojo, from U11 to the Master division. All divisions are competing the same day on two (2) competition surfaces.

Over the years, the quality of the arbitration and the skill of the competitors (some of the best in Canada) have made this event a success. Every year, more than 160 competitors are grouped in teams representing their club to participate in this far-reaching event.

Our past experience in organizing team competitions allow us to ensure the highest quality of judo to all competitors. We welcome you to Boucherville.

For a better planning, it is important that you take notice of the rules and regulations as well as the limit date for pre-registration, which is April 10, 2017 and March 15, 2017 for teams coming from outside North America.

Sincerely,

Olivier Bry, president of the organizing committee
